

Busy As A Bee

The expression “busy as a bee” means to be very busy or active because bees seem to be always doing something. There are other sayings that have their origins, or “BEEginnings,” with bees. Here are a few more:

She has a bee in her bonnet.

Someone who cannot stop talking about something because he or she thinks it is important.

That is the bee's knees!

Something that is the best of its kind.

That is none of your beeswax.

Something that is none of your business.

She's the Queen Bee.

A girl or woman who is the leader of a group.

You'll attract more bees with honey than with vinegar.

Being nice or sweet-tempered will get you what you want sooner than being ill mannered or sour-tempered.

Newspaper Activity: Look through the local newspaper (print or online) for common expressions or idioms.

HINT: The Sports Section is a good place to start your search.
