

Law Day is May 1. The 2020 Law Day theme—*Your Vote, Your Voice, Our Democracy: The 19th Amendment at 100*—commemorates the centennial of the transformative constitutional amendment that guaranteed the right of citizens to vote would not be denied or abridged by the United States or any state on account of sex. American women fought for, and won, the vote through their voice and action.

Every day for the next two weeks we will highlight historic quotes from key individuals related to the right to vote and power of voting.

As you think about these quotes also reflect on the importance of a citizen's right to vote and the challenges we still face in ensuring that all Americans have the opportunity to participate in our democracy. The right to vote is the very foundation of government by the people and arguably the basis for all other rights.
