# READ!

## Explore Water

Explore the topic of water through all types of writing. Check off what you discover in newspapers and/ or at your library or keep a scrapbook or other record of what you find on the subject of water.

### In your newspaper:

- An ad for a water toy
- An athlete who excels in a water sport
- A news story about water or a related topic
- A person whose job involves water
- An opinion about a water-related issue
- A weather report that calls for rain or other precipitation

### Outside your newspaper:

- A song about water
- A book that deals with water
- A poem about water
- A mystery involving water
- A movie that features water
- A Web site that educates about water

## Visit Your Library!

Find ads, news, Web sites and other types of writing about another country's water supply.
